

EPIC

THE PROGRAM

Engineering Possibilities In College, or EPIC, is a one week engineering summer camp for students currently in grades 6-11. EPIC introduces campers to the varied fields of engineering through hands-on labs taught by university professors and industry professionals. Every student attends eight labs tailored to their selected engineering focus. There are labs with a focus in the following types of engineering:

- Aerospace
- Environmental
- Architectural
- Industrial
- Biomedical
- Manufacturing
- Civil
- Materials
- Computer
- Mechanical
- Electrical
- Software

EPIC 2017 SUMMER CAMP

- Session 1: Grades 6-8 July 9th-14th
- Session 2: Grades 9-11 July 16th- 21st
- Session 3: Grades 9-11 July 23th-28th
- Session 4: Grades 9-11 July 30th- August 4th

Visit epic.calpoly.edu to apply by April 15th 2017.

ABOUT EPIC

Your EPIC experience will include designing, building and testing your own engineering project! You'll experience life on a university campus and meet new friends during activities that may include rock climbing, bowling, lawn games and hikes to the Cal Poly "P." Engineers from area companies will visit as guest speakers. EPIC will give away fun items and hand out free gifts.

EPIC SUMMER CAMP DETAILS

Day camp hours are 9a.m.- 5p.m. Monday through Friday and the residential programs are Sunday through Friday. Tuition for Session 1 Day camp is \$620 and \$1,620 for all residential programs. Need-based scholarships are available. Transportation is provided at no extra charge from Oakland, San Jose, Hawthorne, Santa Maria, Arroyo Grande and Paso Robles.
