ANSWERS TO YOUR QUESTIONS

QUESTIONS	ANSWERS
Are we changing our school's name to "Wisburn High School"?	No. That's the name of the entire campus, which includes 3 high schools, 2 district offices, and a community pool and gym. But the name of our school is still Da Vinci Science High School .
What will our schedule look like?	See the typical weekly schedule on reverse side.
Do DVC and DVD have the same schedule as us?	No, DVC will start and end 10 minutes later (8:50) and DVD will start and end 20 minutes later. The 3 schools will have different schedules and different lunch times.
How will the DV Science floor be organized?	See school floor map
Will the DVS dress code change to be more like the other DV schools?	No.
Will we have lunch together with the other DV high schools?	Usually not - normally, there will be three lunch "shifts", and DVS will have the first lunch shift Mondays-Thursdays and the last lunch shift on Fridays. There may be some special occasions when we extend lunch longer than 30 minutes and have a combined lunch with all 3 schools.
Will there be more students in DV Science next year, or more students per class?	No, we will stay about the same size we are now, and classes will stay about the same size they are now.
Will we have the same seminar options as this year?	They will mostly be the same, but some will change based on the different setup we have for outdoor spaces. Decisions about seminars haven't been finalized yet.
Will the gym and pool be open? When will we be able to use them?	The gym and pool will not open until sometime during second semester of next year. Details about who will be able to use it when have not yet been determined.
How will the first day of school work?	Details are still to be determined, but students from all 3 schools will gather in the courtyard on the west side of the building, and then one school at a time will get welcomed into the theater by their teachers, which is where you will find your advisor and then go up to the DV Science floor.
Will we be allowed to go on to other schools' floors? Will students from Design and Communications be allowed to come on to our floor?	Not without permission from an administrator.
Will there be parking for students?	Yes, there will be about 25 student parking spaces per school. Parking permits will be required. Priority for students obtaining permits has not been determined.
Will we be allowed to join student clubs from the other schools, and vice versa?	That depends on where the club meets. If the club meets before or after school in a shared space (outside or on the first floor), then it will be open to students from all 3 schools.
Where will we eat lunch? Will there be a cafeteria?	See campus map. We will have the same food vendor (Revolution Foods) as we do this year.
Will our seminars be combined with the other high schools?	For the most part, no. There may be some outdoor and common-space seminars (such as basketball, for example) that are shared.
How will we do bake sales?	Probably the same way we do them now, but it is likely that the other schools' programs will also have bake sales on the same days as DVS clubs.
How will the emergency drill with the police work with all 3 schools? How will fire drills work?	The plans for emergency drills haven't been finalized yet.
Will we ever interact with the teachers and administrators from the other schools?	Probably not during the school day, but it's likely that you will see them before and after school, and possibly during lunch. They are all good people that you can trust (and that you need to respect and obey if they tell you to do something).
Will we have a chance to see all of the floors of the new building before school starts?	Yes! On Saturday August 12 th there will be an open house when you can take a tour of all the floors of the building!

DVS Season 9 Schedule
