- I have noticed that this has made a big difference in reducing the stress/workload my child experiences at DVS.
- I have noticed that this has made a small difference in reducing the stress/workload my child experiences at DVS.
- I have not noticed any difference in the stress/workload my child experiences at DVS.

This year, students can earn honors in most of their classes by passing an honors midterm and final. This is different than previous years, in which they earned honors by doing an additional honors project.

- I prefer this year's honors system over last year's system.
- I prefer last year's system over this year's system.
- I did not notice any difference / I do not have an opinion about the honors system.

We changed the dress code so that students are allowed to wear turtle neck collars, which is a change from previous years when only traditional collars were allowed.
