

## Language : Spanish 2 Native

Grade 10

#	Essential Knowledge/Skill	Alignment
1	Culture: I can demonstrate an understanding of the relationships between the practices and perspectives of the culture studied.	
2	Presentation: I can give a presentation completely in the target language and/or including responding properly to questions and engaging in conversation (i.e. about a topic studied, reading, or history).	
3	Speaking: I can participate in a discussion after having read and researched material to answer higher level questioning.	
4	Reading comprehension: I can use information I've read in Spanish to answer high level questions, form an opinion and justify my opinion using evidence from text. (1st semester)	
5	Writing: I produce a written piece in Spanish using proper punctuation and proper language mechanics (verb-subject agreement, accentuation, and appropriate verb tense).
