

We are blessed to have an amazing guest speaker on Friday, October 7th. Their story will touch the hearts of each of your teens and help them to realize the importance of Choices!

Cari Fonseca is the CEO/Founder of The Next Step Foundation Team Brandon, a nonprofit organization based in Phoenix, AZ. She is the mother of a son who made a poor choice 15 years ago to drink and drive at the young age of 21. That choice not only took the life of his best friend but left Brandon with a severe traumatic brain injury and completely dependent on his mom for all his needs.

She and Brandon (in his wheelchair) travel to schools all over the country speaking out on the life-altering effects of drinking and driving, hoping their story will save lives!

They never charge for their presentations but rely on donations to keep their foundation going. We are asking parents to find it in their hearts to make a small tax deductible donation between \$5-\$15. This donation can be in the form of check, cash or a donation can be made on their website via credit card. Checks should be made out to **The Next Step Foundation.**

To make a donation online please visit **TheNextStepFoundation.org** and click the donate button.

**We thank you in advance for your generosity!**
